      We are having difficulty with our non-profit status. This has been an ongoing problem, but have not had a successful resolution.

   4. This is a conference year, we are holding in a different location this year. We want to grow our regional presence.
5. Future Threats to State Association:

Ongoing cuts in school funding, lack of permanency in some school SW jobs. Uncertain if they will be cut in the next, ever tightening, budgets.
