WHAT IS IT?
Text, Talk, Set to Go combines text messaging with face to face dialogue. Gather 3-4 high school juniors and seniors and text SetToGo to 833-440-2220 for a fun and engaging conversation on getting emotionally prepared for the transition from high school.

WHY DO THIS?
Because 60% of college students wish they had gotten more help with emotional preparation for college.

Because 90% of TTSTG participants report an increased knowledge about how to stay emotionally and mentally healthy in the transition.
